Subject: Support for House Bill 5421, HB5733 & HB6157

Dear Mr. Dugan,

None of us could have predicted the far-reaching consequences of the December 14 shootings in Newtown. Hopefully, this legislation will never be needed in any of our Connecticut communities ever again, but now that we know the effects, there is no excuse for not preventing unscrupulous use of birth, death and marriage records. Please help to pass bills HB5421, HB5733 & HB6157.

Thank you,

Michelle Embree Ku
